As a new/renewing member of the Pioneer Quilters' Guild, I understand that ARTICLE III of our Guild Bylaws states that: ***“Members shall support the activities of the Guild by voluntary service relevant to the Guild, such as participation in fund-raising activities, serving on committees, assisting in community service projects, and ATTENDING A MINIMUM OF FIVE (5) MEETINGS PER FISCAL YEAR. Failure to comply with attendance requirements shall result in non-renewal of membership. The Executive Board will review exceptions annually.”***

*Please share, in writing below, any talents you have that could serve the needs and goals of our guild. Our main goals are community service and education; however help is needed in many areas. **Examples:** competency with computers, publicity skills, instructing classes on quilting techniques, writing, organizational skills and always, serving on a specific committee, plus any you think may be of benefit. This is how I can serve the guild (besides paying dues):*

*Additionally, please put an **X** by each committee in which you are interested in serving. At least **one** committee should be checked. You will be contacted by the Chair of that committee. Not all jobs require more than one person; however it's nice to have a backup. Plus some committees need help on a one-time-only basis, so it's nice to know who to call. A list of job descriptions for all positions is available on our website [www.pioneerquiltersguild.org](http://www.pioneerquiltersguild.org).*
